MaxxAir Fans

Each standard fan features a built-in rain cover and a multi-function remote.

Two AGM Batteries

Developed for military aircraft, AGM batteries are more durable, longer-lasting and maintenance-free.

Baggage Doors

Our heavy-duty aluminum doors feature metal slam latches.

Fiberglass Roof

This crowned, one-piece, fiberglass roof is more durable and easier to maintain than TPO or Rubber.

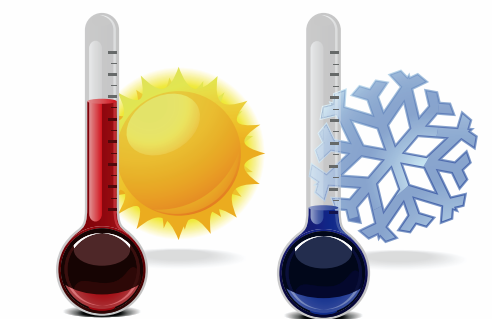

LP Quick Connect

Save cargo space and time. All our models have a standard LP hook up for your portable grill.

SuperLite® Walls

Unlike wood substrate, Azdel SuperLite is lightweight, formaldehyde-free, and unaffected by moisture.

13.5k BTU Air Conditioner with Heat Strip

A heat strip takes the chill out of the air without running the propane furnace.

iCool® Mattress

This gel-infused memory foam mattress provides enhanced comfort with better heat dispersion.

Soft-Close Residential Drawer Guides

The "Soft-Close" feature keeps drawers closed during travel without plastic latches.

Power Awning with LED Light Strip

Dual-Pitch, legless awning retracts automatically in high winds.

Bluetooth Stereo with App Controls

Enjoy ultimate control by pairing your phone using the Jensen® J-Control™ Smartphone App.

Rear and Side View Cameras

Rear and side view cameras enhance visibility and safety.

Holding Tank Vent Cap

Eliminates odors and gases from the holding tanks without the use of costly chemicals.

1000W Pure Sine Wave Inverter

Power your AC devices without shore power or running the generator.

USB Charging Ports

Charge all of your mobile devices without running the generator with these conveniently placed 12V charging ports.

LED Lighting

LED lights run cooler and use substantially less power than incandescent bulbs.

Solar Pre-Wire

With our standard sidewall plug, you can easily connect a portable solar panel and position it for the best possible exposure.

Truma Combi™

is the lightest, most energy-efficient system on the market. It effectively combines a warm air furnace and water heater in one nearly-silent device.

Charge Wizard

Progressive Dynamics converter with the patented 4-stage Charge Wizard® system has been shown to increase the battery life by 2 to 3 times or more.

A Dynamax Exclusive

DynaRide provides a smoother ride than conventional leaf springs, and increases the ride height to be more effective. Rubber absorbs shock and protects from road damage.
